

## **Assignment Submission Standards:**

- Each assignment submission should be packed into a **.zip** file with a naming convention as below:
  - NameSurname\_assignment#.zip
  - Name and Surname should start with capital letters with no spaces or special characters in between:
  - eg. ErdemTaylan\_assignment1.zip
- Zip file should include a folder under which you put all of your assignment files. Folder should be named as below:
  - NameSurname
    - eg. ErdemTaylan
- So an example folder structure is as below:
  - ErdemTaylan\_assignment2.zip
    - /ErdemTaylan
      - /assignment2.py
      - /vec3d.py
      - /myfolder
        - /test.py
- Each Source Code .py file should have below header as its first lines:
  - # CENG 487 Assignment# by
  - # Erdem Taylan
  - # StudentId:
  - # Month Year
